

# 503Boutsourcingone: Investor Pitch Deck

TQIP Powered. TQIP Driven.

Delivering top-tier sterile compounding solutions coast to coast.

# **Our Mission**

To be the most trusted 503B outsourcing facility in the U.S. by delivering consistent, compliant, and high-quality compounded medications that help healthcare providers deliver better patient outcomes.

# **Market Opportunity**

- \$4B+ sterile compounding market
- Rising drug shortages nationwide
- Increasing hospital & ASC reliance on 503B partners
- Demand for cGMP-compliant, fast-turnaround providers

# **Our Facility**

- 4 ISO-8 Cleanrooms
- DEA Registered
- State-licensed Nationwide
- cGMP-compliant processes
- Automated batch documentation

# Who We Serve

- Hospitals & Health Systems
- Surgery Centers
- Clinics
- GPOs & IDNs
- White-label Private Brands

# Key Differentiators

- 24-72 hr turnaround
- Stability tested products
- EM & QA data available
- CRM + rep-driven sales model
- TQIP: Top Quality is Priority

# Traction & Growth

- Anchor clients signed
- Expansion-ready cleanroom infrastructure
- Attending ASHP, Asembia, and more
- Revenue ramp with strategic partnerships

# The Ask

- Seeking \$XM in capital
- Use of funds: scale production, expand sales force, enhance testing
- Convertible note or equity stake
